Reserve Your Slot

Process failed. You already have reserved.

If users haven't reserved any time slot of the week they try to reserve on, it will show them "Successfully reserved!"

However, users have already reserved time slots, the process will fail.

Since each household is assigned pre-defined name and password for the website, once they get it, they can change the password to whatever they want by typing the current password and the new one on the "MY PAGE".

Once users finish their job and click the "Logout", the session will be disconnected and the button "Go Back" will be displayed. "Go Back" button will lead users to the login page.
